November 2021

## Monthly Bulletin

In the last month since the announcement of the stabilisation phase, there's been a significant increase in the number of COVID infection cases. We have received updates that a number of our brothers and sisters & their family members have been infected.

Elder Alfred Koay shared during the recent leaders' prayer meeting that "In view of current COVID situation, restrictive social activities and onsite worship services, livelihood risk, fears, worries, anxieties, some CPC members may be experiencing weariness of heart and existential."

We are reminded in God's Word that "*a cord of three strands is not easily broken*" (Ecclesiastes 4:12). This is indeed a time for every member to rise to care for each other as families and let me suggest a few practical handles for us to do so.

The first thing we could do is to pray for one another. We have a heavenly Father who is powerful and loving, and we could intercede for each other and ask for divine healing. Those who are not already in a church prayer team, please inform me, and I could include you. Praying together will help us to find new strength, joy and hope in Christ.

The second thing we can do is to reach out with practical care for one another. Our church leadership is already sending out care packs for infected members. Others sent out packed food, meal vouchers, and even toys for the children on their own accord. Some of them did it individually; some joined their life groups to send out the blessings.

*Welcome!*

*During this unusual time when we cannot all come together for worship, we can still be part of a worshipping community. We invite you to join us at our live worship service onsite by pre-registration at the church's website <https://www.cplink.org.sg/>. You may join our*

Worship Time	
English Services	11.15am
Chinese Service	9.30am
Sri Lankan Service	2.00pm

*live-streaming services online via our website. We hope you can also connect with our Life Groups. Please contact one of our Pastoral Staff if you like to join a Life Group. We are still meeting and connecting through various digital platforms.*

*We want to grow in Christlikeness through devotion and delight in God, nurturing devotion and delight in God, nurturing relationships and intentionally multiplying disciplemakers.*

Thirdly, if you know of members in need of help, feeling isolated or distressed or alone during this unusual time, you could meet them in person when possible. If that is not possible, you could video call, phone, or text them to encourage them. In some cases that needed more help, you could connect them to our Pastors, Elders, and counsellors.

It is said in Hebrew 10:25, "*And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.*" Even as we go through this season, let us remain connected to the body of Christ and remind ourselves that we are God's covenanted family. The following 6-12 months might be trying, but let us journey together by showing love and care for one another as God has loved us.
