

数算恩典 , COUNTING GOD'S BLESSINGS

This year, the Chinese Ministry is celebrating its' 20th anniversary. And I have also been serving with the Chinese Ministry for almost 12 years! I am grateful for the opportunity to serve and be among some of the most amazing people I know. In my years of service, I have witnessed many salvations of our loved ones, reconciliations among families, journeying with the sick and the broken-hearted, rejoicing with the achievements of various life milestones, and counting blessings one by one. What a joy! What a blessing!

As the Chinese Ministry steps into the 20th year of its existence and gears up for its next phase of growth and development, it will be timely to look back and count the blessings God has blessed us so that we will know and remember God is faithful and steadfast. This will give us the confidence and faith to embark on the journey ahead.

The Chinese Ministry decides that the theme for this year's anniversary celebration is 《数算恩典》, **Counting God's Blessings**. Indeed, God has blessed the Chinese Ministry and every member richly. Hence, when we decide that the celebration will spread across the whole month of July, we also want to intentionally make it meaningful and memorable so that we will be able to move into our next phase not only with God's blessings but also with God's Commission and Commandment.

In July, the Chinese Ministry service pulpit will be graced by some of our previous Chinese pastors, including Pastor Sum, Rev. Enoch and Preacher Yoke Fen. They will be sharing the theme of **Counting God's Blessings** while they were serving with the Chinese Ministry. So come and join us and catch up with these faithful servants who had served their terms. And on the last Sunday of July, we will have a **Celebration Lunch Service**. It is planned and led by our homegrown leader, Deacon Xuexue, with the help of some veterans.

Welcome!

***We want to grow in Christlikeness through devotion
and delight in God, nurturing relationships, and
intentional multiplying disciplemakers.***

Besides celebrating among and within ourselves, we are reminded that one of the Chinese Ministry's core values is to be a blessing to others as well. Hence, we will be collaborating with **Gladiolus Place (GP)** for the **Love In Action Concert** on the **9th July** to raise funds for them. We want to be a blessing to them. This Concert will be featuring original songs by our members, and we are grateful for God pouring out His blessing of gifting among this small congregation of people who have learned to love Him and worship Him with songs. I hope you will be there to join us, both in celebration and be a blessing.
